

**GROH**<sup>®</sup>

Created by nature.

**Unlocked** by science.<sup>™</sup>

GROH® aims to use innovation, technology, and all-natural ingredients to produce revolutionary products to defy the aging process.

## CREATED BY NATURE

Discovery, study, and testing by a network of scientists from top universities around the world have unlocked a new "Master Antioxidant," Ergothioneine and enabled us to formulate our unique and potent Ergo Boost™ Complex.

GROH's **Ergo Boost Complex** works internally with the body's complex biological system to fulfill everyday nutritional needs that diet alone fails to provide. Combined, these ingredients work synergistically to supply the body with the nutrients it needs to support healthy hair, scalp, skin, nails, and lashes.

**Natural and Organic**

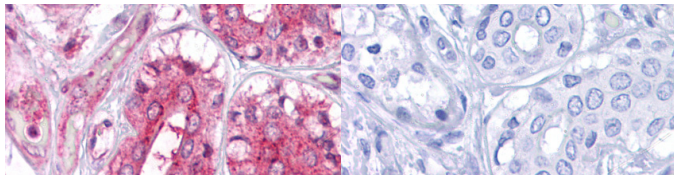

**100% Vegan**

**No chemicals or dyes**

## UNLOCKED BY SCIENCE

This revolutionary anti-aging approach has unlocked rich bionutrients from within plant biology through a patented light purification process to naturally enhance nutrient capacity. Fast absorbing and targeted, this complex delivers a high-potency dose of micronutrients to super-charge, strengthen, and repair cells.

### Rejuvenation and repair

Ergo Boost works to repair damaged skin cells

Ergo Boost protects and regenerates cells for healthy skin

The majority of current hair and skin care products are serums and creams that treat the symptoms, not the cause, of nutritional deficiencies. The **Ergo Boost Complex** offers a synergistic blend of rich antioxidants and bionutrients.

**Ergothioneine (Ergo)** naturally occurs in mushrooms and has been found to play a powerful role in preventing cell death by offering protection from oxidative damage, a major contributor in early aging.

**Vitamin D2 (Ergocalciferol)** is a plant-based form of vitamin D. While other vitamin D products are chemically extracted from animal derivatives, our vitamin D comes straight from the plant and is enriched through our patented UV light technology.

**A rich blend of essential oils** adds hydrating and soothing properties. Moroccan Argan Oil, Rosemary Oil, Lemon Peel Oil, Lavender Oil, Sweet Almond Oil, and others work together synergistically to heal and regenerate at a cellular level.

**Vital nutrients** in a potent blend of over 3,000 enzymes, antioxidants, and probiotics work with your body's complex biological system, maximizing absorption and metabolism of nutrients.

## A NEW RITUAL FOR HAIR CARE

## Ergo Boost™ Hair Conditioning Treatment

Hydrating and smoothing formulation replenishes hair and nourishes scalp. A rich blend of pure essential oils – Moroccan Argan Oil (infused with organic vitamin D2), Rosemary, Lemon Peel, Lavender, and Sweet Almond Oil – work together to hydrate and smooth, while the antioxidant-rich Ergo Boost Complex delivers potent micronutrients to both hair and scalp to recharge and protect them from daily stresses and future damage.

Use: Massage into hair and scalp. Allow 2-3 minutes for absorption. Rinse.

## **Ergo Boost™ Daily Replenishing Supplement**

Ultra-potent, all-natural supplement offers nutritional support for cellular health for stronger skin, hair, scalp, nails, and lashes.\* Rich in antioxidants and bionutrients, this formula replenishes the body's essential building blocks and supports a healthy immune system.

Use: As a dietary supplement, take 2-4 capsules daily or as directed by a qualified health care professional.

## **Ergo Boost™ Skin Repair Treatment**

Fast-absorbing Ergo Boost Complex, rich in antioxidants and vitamin D2, inhibits the oxidation process and limits the spread of free radicals. Essential age-fighting nutrients work at a cellular level to repair and stimulate collagen production for radiant, resilient, younger-looking skin.

Use in the morning and evening: Gently massage into problem areas of face, neck, décolleté, and cuticles. Allow to absorb.

## **Ergo Boost™ Skin Recharging Bar**

Gentle and nourishing bar infused with a rich blend of pure essential oils and antioxidants. Gently cleanses away impurities and recharges the skin with fast-absorbing Ergo Boost bionutrients that nourish and protect to reveal healthy, smooth, glowing skin.

Use: Activate with a splash of warm water to create a lush lather. Gently massage into face, neck, and décolleté. Rinse thoroughly.
